Announcing the new

Vice President and Dean for Academic Affairs

We are pleased to join with President Philip C. Stone of Bridgewater College in announcing the appointment of its new Vice President and Dean for Academic Affairs, Dr. Carol A. Scheppard. She holds a Ph.D. in Religious Studies from the University of Pennsylvania, a Master of Divinity from Princeton Theological Seminary, a Master of Education from Lesley College and a B.A. in Anthropology from Wesleyan University.

Dean Scheppard most recently served Bridgewater as an associate professor of philosophy and religion. She is also a member of the Board of Trustees of Bethany Theological Seminary, where she recently chaired its presidential search committee. Her previous positions include faculty and administrative positions at Landmark School in Massachusetts and Landmark College in Vermont. We are confident that she will be an exceptional dean.

Under the leadership of President Stone, the institution has grown dramatically over the last decade. The College is financially stable with an increased endowment and enrollment in excess of 1,500 traditional students. Today it is a premier, selective liberal arts/sciences institution, nationally recognized for its Personal Development Portfolio.

This appointment is the result of a national search in which Jon McRae & Associates served as consultants to the College.
